

Controlgear

Contactor Relays, Coupling Relays (Interface)

SIRIUS 3R contactor relays I_e / AC-15: 6 A, 230 V

3RH11 contactor relays 4-pole, size S00 AC and DC operation

Selection and ordering data

- With screw connection
- With Cage Clamp connection
- Accessories

Internal circuit diagrams	6/22
Position of terminals	6/25
Dimensions	6/52

3TH43 contactor relays I_e / AC-15: 10 A, 230 V

3TH43 contactor relays 10-pole, complete AC and DC operation

Selection and ordering data

- With screw connection
- Accessories

Description	6/5
Technical data	6/18
Internal circuit diagrams	6/24
Position of terminals	6/26
Dimensions	6/53

SIRIUS 3R interfaces

3RT10 coupling relays for switching motors, sizes S00 and S0 DC operation

Selection and ordering data

- With screw connection
- With Cage Clamp connection
- Accessories

Interfaces for mounting onto contactors

3RH19 24-1GP11 3TX7 090-0D

3RH19 24-1GP11 interface for SIRIUS contactors
3RT10 24 to 3RT10 46
3TX7 090-0D interface for contactors 3TF and 3TK
 I_e /AC-15: 3 A, 230 V
